"Mothers' March" Set For January

Mrs. Judy Harrell has been named chairman of the Mother's March for the Central Virginia Chapter of the National Foundation March of Dimes.

The Mothers March has taken place in January for the past twenty-six years. The March of Dimes uses the funds collected for programs aimed at the prevention of birth defects - our nation's number one child health problem.

Volunteers are still needed in some areas and anyone interested should contact the Central Virginia office, 7212, Timberlake Road, Lynchburg.

Pictured is Mrs. Harrell with Robbie Zastavny, National poster child of Moorestown, New Jersey.

The Mothers March takes place the month of January.

ROCKS

DECEMBER 13 - The first show of the season came Wednesday morning. The cold gets longer as December moves on. Christmas is getting closer. Cards are beginning to fill the mail box.

Alfred Hamlin entered Lynchburg General Hospital last Sunday night. A speedy recovery is wished him.

The Friendship Circle met with Mrs. W. R. Moore on Thursday afternoon.

Mrs. Sandra McIntosh and mother, Mrs. R. E. Roach, were in Lynchburg on Tuesday.

The first Group I GA's Mission Study Class was held at Rocks on November 20 with 25 present from the eight churches.

Rev. W. H. Elder and Joanne were visiting Mrs. Mary Bagby on last Sunday afternoon.

Mrs. Toby Inge, Mrs. Clara Garrett and Mrs. Alice Jackson were in Lynchburg on Thursday.

Tobacco markets will resume sales on Tuesday after being suspended for a week, after a fire in Lynchburg on last Monday.

We are happy to know our Lottie Moon Christmas goal of $575.00 was reached.

The Training Union is sponsoring a churchwide night of Christmas caroling on Monday night, Dec. 13, at 6:15 p.m. Refreshments will be served afterwards at the church.

Roger Garrett, of Lynchburg, occupied the pulpit at Rocks Sunday night. He is the grandson of Mrs. Clara Garrett of Evergreen.

Our Pastor Search Committee was named on Wednesday night, composed of the following: Frank Elder, Helen Inge, Sandra McIntosh, Glenn Morris, and Aulden Roach, chairman. Let's be much in prayer daily for these.

Alfred Hamlin returned home from the hospital Saturday much improved.

On Saturday, Dec. 18, 10 a.m. - 2 p.m. the WMU will have a Christmas Tree Mission Action Project at the Plaza in front of Revco. The Tree will be decorated with tracts and little mini Bibles. All passerby to help decorate the tree.

Catherine Baldwin, of Pamplin passed away at her home Saturday afternoon. Sympathy is extended the family.

Sorry to hear Mrs. Addie Ramsey fell Saturday morning at her home and broke her hip. She is in Virginia Baptist Hospital. A speedy recovery is wished her.

Mr. and Mrs. Joe Almond and children and Mrs. Carrie Richardson went to Crewe Sunday afternoon to see Mr. and Mrs. Julian Glover. Then they went to Keysville Nursing Home to see the former's brother, Harry Almond.

The Lewis Dickerson Bible Sunday School Class had a steak supper at Evergreen Community Center Saturday night. All had a wonderful time.

Have you guessed where the Rocks Quartet presented a program of Gospel Music? They went to Concord New Presbyterian Church.

We regret very much to hear Mrs. Alice Marshall of Sunnyside Presbyterian Home at Harrisonburg, Va. fell last week and broke her hip. A speedy recovery is wished her.

Two new deacons will be ordained at Rocks now soon. They are Glenn Morris and Aulden Roach.

Congratulations to Mrs. Nanny Baldwin Seay, who won the birthday dinner on Friday from the Superior Trees Nursery.

The Ladies Bible Sunday School Class had their class meeting with Mrs. W. R. Moore on Wednesday afternoon.

A Christmas box was sent to the Home for the Aged at Culpeper.

Mr. and Mrs. Samuel Martin and Bob will be on the Burley Tobacco Market at Johnson City, Tenn. Tuesday.

You are missing a lot by not seeing the slide of the Holy Land shown at Rocks on Wednesday nights in December except Christmas week. They are free so come on out.

It was good to see Louise Roach at church on Wednesday and on Sunday.

Mrs. Florence Ranson and Mrs. Kate Dinkins were visiting in a number of homes on Sunday afternoon.

Don't forget the Christmas play at Rocks on December 19, at 7:30 p.m.

Florida Tree Farmer Named Best In The Nation

A cost-conscious Florida woodland owner was named the nation's "Outstanding Tree Farmer."

The title was conferred on Fred W. Barber of Baker, Florida, during the annual meeting there of the American Forest Institute, which administeres the American Tree Farm System.

"His sincere, business-like approach to forestry and readiness to help others is a perfect example of what private woodland owners must do to help meet the nation's future demand for wood," commented Rich Lewis of AFI's Washington, D. C. headquarters.

More than 33,500 individuals who own over 77 million acres in all 50 states are members of the American Tree Farm System. A Tree Farm is a tract of private woodland dedicated by its owner to the growing and harvesting of forest crops. Certification is granted only after a woodland owner has demonstrated specific forest management practices. The winning Tree Farm was certified in 1966.

Mr. Barber, a retired county extension agent, owns 760 acres in the Florida Panhandle and has been applying forestry techniques for nearly 20 years. He has planted 175,000 slash pines over 194 acres and conducts a turpentine operation on another 320 acres. His lands also are open for hunting and fishing, and special attention has been given to improving wildlife habitat.

In addition to practicing effective modern forestry on his lands, Mr. Barber has made and shared with others a variety of detailed studies on taxation, naval stores, insect control reforestation and other subjects which helped earn him the distinctive title.

He was selected from a field of five regional finalists. Others vying in the national judging were: A. H. Meyer of Greenwood, Ind. (Midwest); Duncan Howlett of Center Lovell, Maine (New England); Mr. and Mrs. Jack Schumacher of Heisson, Washington (West); and Harry S. Ferguson of Stillwater, New Jersey (Mid-Atlantic).

Additional information on the American Tree Farm System is available from the American Forest Institute, 1619 Massachusetts Avenue, NW, Washington, D. C. 20036, or stop by the Westvaco Office on Court Street in Appomattox.

Last Chance To Get Official State Bicentennial Medals

As Christmas and the end of 1976 draws near, people will have their last chance to purchase one of the Official State of Virginia Bicentennial Medals.

The face of the medal features profiles of the eight United States Presidents born in Virginia, in the sequence in which they were elected, and the colonial capitol at Williamsburg. It also bears the inscription, "Virginia . . . Cradle of Liberty . . . Mother of Presidents." McMurran noted that Virginia had accounted for 22 percent of all United States Presidents more than any other state in the Union. The eight Presidents were Washington, Jefferson, Madison, Monroe, William Henry Harrison, Taylor, Tyler, and Wilson. Figures from the state seal and the inscription, "Virginia Independence Bicentennial, 1776-1976," are on the reverse.

Medallic Art Company, the oldest private mint in the United States, and producers of the Congressional Medal of Honor and many official Presidential Inaugural medals is the producer of the State of Virginia.

The medals are available in gold, silver, and bronze, and may be purchased individually, in necklaces, or in paperweights. They may also be purchased as part of the Official Original Thirteen Colony Collection. They make excellent Christmas gifts as a lasting piece of memorabilia. For additional information contact your local Bank or Savings and Loan, or write to Official Bicentennial Medal Programs, P. O. Box 1332, Atlanta, Ga. 30301.

4,600 Dairy farm Families Attending Dairymen, Inc. Eighth Annual Meeting

ATLANTA, GA. -Dec. 8 - Young Dairymen members were in the spotlight last night as some 800 Dairymen, Inc. delegates, directors and young dairymen heard the ten division finalists compete for the honor of being the Outstanding Young Dairymen couple for 1976.

Walter "Dee" Huddleston, United States Senator from Kentucky, told the audience that young dairy farmers need strong markets undergirded by realistic support prices . . . stable input prices, particularly grain prices . . . and a source of capital. Huddleston also said that "those of us in Congress are concerned with maintaining family farm agriculture in America."

Tonight the members and guests will be welcomed to Georgia by Herman E. Talmadge, United States Senator from Georgia, during the meeting at the Civic Center. The major report will be made by Ben F. Morgan, Jr., the cooperative's Executive Vice President and General Manager, who will tell the membership that for the eighth consecutive year, Dairymen, Inc.'s sales reached an all-time high - $620 million during fiscal year 1975-76.

Morgan will also introduce the new educational film "Farmers to Consumers -- The Cooperative Way" which will have its premier showing during tonight's meeting. The film shows the dependance of dairy farmers on consumers & consumers on dairy farmers.

The meeting will conclude tomorrow morning when P. L. Robinson, President of the Dairymen, Inc. Board of Directors, and James E. Mueller, Vice President of Finance, will report on the past year's activities. James J. Kilpatrick, noted columnist and commentator, will be the concluding speaker.

Contents From The ACHS Student Handbook

At the request of Mr. Don Armentrout, Principal at Appomattox County High School, we have been re-printing the contents of the ACHS Student Handbook as space permits.

Following is more information from the handbook that should be of interest to parents and citizens of this county:

Fire Drills

Fire drills at regular intervals during the year are required by law. When the fire alarm sounds we would hope that students will clear the building promptly and orderly. The teacher in each classroom will give the students the prescribed route for that classroom.

Textbooks

All basic textbooks are rented out to students for their use during the year. Workbooks and other supplies are paid for by the student. We suggest that students keep textbooks clean and handle them with care. Textbooks are to be covered with bookcovers at all times. Students should also remember to write their name, grade, and school in each book. Fines will be administered to students for lost books and damaged books.

guidance

Guidance services are available for every student in the school. These services include assistance with educational planning, interpretation of test scores, occupational information, career information, study helps, help with home, school and / or social concerns, or any question the student may feel he would like to discuss with the counselor.

Students wishing to visit a counselor should contact the secretary in the guidance office to arrange for an appointment.

Visitors

Because of our crowded conditions, students are not allowed to bring visitors to school. Parents are always welcome, but are encouraged to make an appointment to see a teacher, the principal, or visit their children's classes.

Student Insurance

The high school has made it a practice to maintain a group accident insurance policy. This insurance is available to all students at a very nominal fee and is sold to cover you during the year.

All of you who are enrolled in shop classes and participating in sports must obtain school insurance. We recommend that all of you participate in this insurance program.

Student Insurance: Filing Claims

Let me tell you how to file a claim.

1. Let the teacher in charge or the office know as soon as possible about the accident.
2. File your claim as soon as possible. There is a time limit.
3. You can get claim forms in the office.
4. Follow any verbal or written directions closely. It's up to you to see that your claim is filed properly and on time.
5. All claims must be sent to the company through the office.

Work Permits

All work permits are issued from the School Board Office on Main Street in Appomattox.

Student Grievances

Any question or concern which students have about the school or rules-regulations, can be taken to the following sources depending upon the nature of the concern: Teachers Guidance, Assistant Principal, Principal, SCA Representative Student-Faculty Committee.

If suspended, the student has a right to appeal the suspension to the superintendent and the school board.

Health Services

If, through unforseen circumstances, you become ill, report to the school nurse. If it becomes necessary to go home, the nurse will inform your parents and you will be given a pass to leave. Please follow this procedure. If you leave on your own you will be unexcused. Make sure that you go to class and get a pass to the clinic. If the nurse is not in the clinic report to the office.

Rest Rooms

You may use the restrooms before and after school, between class periods and at the beginning or end of the lunch periods. We know you will try to keep it clean and not smoke in the restroom. Also if you are feeling ill, report to the nurse's office and do not remain in the restroom.

Smoking

Due to report findings from the Surgeon General of the United States, we would prefer that you not smoke. However, if you feel that you need to smoke you must obtain a smoker's permit from the principal or assistant principal, signed by parent or guardian, and obey the rules for smoking as described on the smoker's permit. The area for smoking will be described to you during the first week of school. There will be no smoking in the school building. Smoking is not permitted on school grounds between 8:00 a.m. and 4:00 p.m. except in the smoking area, and with proper permission.

Drug Policy

The Appomattox County School Board policy prohibits the illegal possession, use or distribution of drugs and alcoholic beverages on school grounds or in association with any school sponsored activity. (Read section on "Lockers".)

Radios, Tape Reorders, Etc.

Students are not permitted to bring radios, tape recorders, etc. to school.

Dances

During the school year various school sponsored dances will be held in the cafeteria. These dances are for present ACHS students and their "approved guests". To request approval for a guest, students must give information about their guest to the principal no later than noon two days preceding the dance. Students can check the "approved list" the next day for making further plans.

The only exception to this policy is that at the Homecoming Dance graduates and their guests may attend.

ASSEMBLY SCHEDULE

Morning Assembly -

If a morning assembly is scheduled, periods one, two, and three will be shortened, depending on the length of the assembly.

8:50 - 8:55 - Home Room
9:00 - 9730 - 1st Period
9:35-10:05 - 2nd Period
10:10-10:40 - 3rd Period
10:45-11:45 - Assembly
Resume Regular Schedule

Afternoon Assembly

If an afternoon assembly is scheduled, periods five and six will be shortened, depending on the length of the assembly.

1:20 - 1:50 - 5th Period
1:55 - 2:25 - 6th Period
